## Something Fun! Something Different! Doubles for EVERYONE!

**\$110** entry fee for 2 runs. First run is a single OPEN 3-bird run using pointing or flushing rules as appropriate. Your second run will be a 5 bird doubles run. To encourage everyone to have fun and meet new people, doubles partners will be determined by random drawing from all entrants, regardless of division or experience. For doubles run, we'll use BHU Flushing rules, meaning you pointer guys don't have to worry about 'traps.' You flushing competitors will be able to 'foot-flush' a bird without penalty, and there will be no 6 second rule on points. We're trying to simulate WILD BIRD HUNTING and inject some FUN!

Want to do a doubles run with a special partner and not an Open Sanctioned Run? No Problem! Only **\$100** per team (two handlers and two dogs) for each additional 5-bird doubles run. Simply enter these runs separately with your chosen partner! Enter as many times as you like. **Entering the PF/QF National Trial doubles on October 12-13?** Bring your partner and get some practice runs in! Want to introduce your spouse, teenager, or other relatives/friends to the game? This is your opportunity! Bring them along and have some fun while you're coaching them up. This will be a great opportunity for some NO PRESSURE hunting fun while getting ready for the new wild bird season.

**Do you have a potential retrieving champion in your home or kennel? Bill Ernst will run a retrieving trial, land or water, your choice. Low entry fee; enter as many times as you like, no schedule necessary. We'll slot you in between your field trial runs.**

THE PRIMARY GOAL OF THIS TRIAL IS FOR EVERYONE TO HAVE FUN! The competitive side of the trial should be secondary, but, as a "secondary" goal, we hope to **pay back 20%** of proceeds to the top 3 places in the Doubles Division ONLY. Any funds remaining will be donated to the PF/QF National Trial for youth hunting/education projects.

Contact Jason Nelson to sign up. Deadline is Sunday, Sept 15<sup>th</sup>, so we can draw matchups for FUN DOUBLES. A **Calcutta** will be available once doubles teams are set. We plan to e-mail options to all competitors by Wednesday or Thursday prior to the Saturday Trial so you can participate by email or call to Jason Nelson in advance. There will be an opportunity to finalize on Saturday prior to first trial run.

Contact Ed Holland (816.810.9535) about cabins, rooms, or bunks if you'd like to stay at Timber Hills Lake Ranch Friday &/or Saturday night. You could make this a relaxing weekend outing and have even more **Fun in the Sun**
